THE MOST SUPPORTED EXHIBITIONS OF EURASIA!

Part 1 of WIN exhibitions will be held between 2-5 February 2012 and is supported by national and international 75 different associations, unions and other related bodies.

VDW (German Machine Tool Builders Association) is one of this year's most important international supporters of WIN Part 1, which brings together the Metalworking World in 3 separate fairs which are METALWORKING, WELDING and SURFACE TREATMENT.

With the support of VDW, the extended area for the German pavilion is fully booked for 2012.

WIN Supporters

WIN CONTINUES TO MAKE YOU WIN FOR YEARS!

Number one manufacturing platform of the Eurasian Region, WIN-World of Industry, continues to be the meeting point of the manufacturing industry in 2012 too, after the successful results obtained in 2011. WIN Part 1 includes these exhibitions:

METAL WORKING

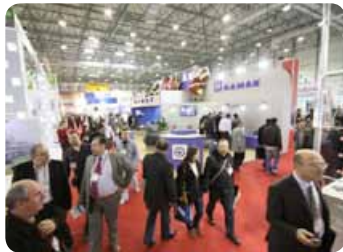

(17th International Machine Components and Metal Working Fair)

WELDING

(12th International Joining, Welding and Cutting Technologies Fair)

SURFACE TREATMENT

(6th International Surface Treatment Technologies Fair)

DON'T MISS BUSINESS OPPORTUNITIES AT A VERY HIGHLY INTERNATIONAL PLATFORM!

Part 1 of WIN Exhibitions will host many international participations. Japan, Germany, Italy and South Korea will participate with country pavilions.

Group Participation

Japan

Germany

Italy

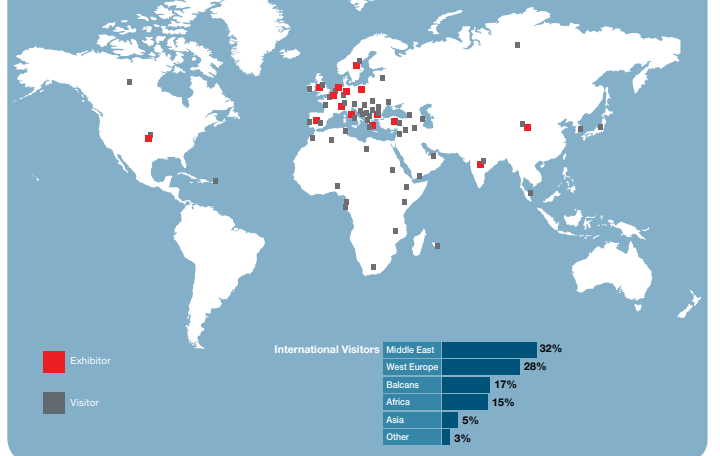

South Korea

In frame of the "Hosted Buyer Program" several buyer delegations from targeted countries will be hosted at the fair. In cooperation with Undersecretariat of the Prime Minister for Foreign Trade of Turkey (DTM), buyer delegations from 14 countries visited the fair in 2011. In the framework of special B2B Matchmaking Events international buyer delegations will again have face to face meetings with exhibitors. 44.938 visitors from 55 countries came mainly from Balkanian, Caucasian, Middle Eastern and North African markets in 2011.

Global Communication of WIN - World of Industry via 80 representative offices of Deutsche Messe will again ensure you to be at a very international platform in 2012.
